A direction is also something one gives

How do we know which way to turn to reach our destination?

It is by understanding how we become orientated in moments of dis-orientation that we might learn what it means to be orientated in the first place. Kant, in his classic essay 'What Does It Mean to Orient Oneself in

offer an approach to how bodies take shape through tending toward objects that are reachable, that are available within the bodily horizon.

When you give an order or an instruction (especially a set of instructions guiding the use of equipment) you give directions.
